BOND ELECTION BUILDING PROGRAM

Plans have been completed for enlarging that department both in size and educational opportunity. The Key Route Child Care Center is being combined with the one in Codornices Village, effective September 9.

The added space for the high school shop classes is a project that is independent of the coming bond election in October. The proposed (Continued on page three)

Legion Post to Assist Terminal Leave Vets

By WALTER HOLLAND

Albany Post No. 292, The American Legion has received a telegram of this date (Aug. 13th) from Department Commander Robt. (Bob) Snyder that Albany Post will be a designated agency and the Albany Memorial Building will be a place for G.I.'s with terminal leave pay due them to fill out the official applications for terminal leave bonds and money. Mason Layton, Commander of Albany Post No. 292 stated:

"As soon as Albany Post can get the details and the application blanks, facilities to accommodate veterans who are eligible to file for terminal leave adjustments, will be set up in the Albany Memorial Building.

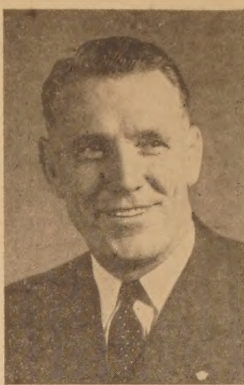

Walker Lyon, the Post's service officer, and his aides will be in charge of this service and Lyon can have as many more of the Post Members to assist him as need be in order to care for the applicants with speed and dispatch." When details are received it is expected that Albany Post will open their office for this work during the evening hours.

Albany High P.T.A. Plan Year's Budget

The Budget and Finance Committee of the Albany High P.T.A. met at the home of Mrs. Walter Norton, 1447 Washington Ave., August 13. The budget for the ensuing year was discussed, and many changes made. There will be two scholarships awarded, a life membership given to a member of the faculty, and the purchasing of new robes for Stephen Lehmer's outstanding choir, about 80 in all. Two delegates will be sent to the State Convention next May.

Mrs. Norton, Chairman of Budget and Finance, advised there would be about four money making projects for the year. A two-day rummage sale of large proportions was proposed. This budget will be placed before the Executive Board for approval, at their next meeting.

Members of the Budget Committee are: Mrs. Walter Norton, Chairman, F. Wm. Feeny, Vice Principal; Mrs. Charles F. Ott, President; Mrs. Lloyd Hogan, 2nd Vice President; Mrs. Frank Tambo, Treasurer.

HARRY J. DOYLE

DOYLE WITH HENRY VILLA

Automotive Service and Harry J. Doyle are practically synonymous or should be — for Harry J. Doyle has devoted many years to the maintenance and servicing of automotive equipment.

In September 1941, just prior to World War II, Doyle entered the United States Civil Service as chief automotive advisor to the Commanding Officer of the Stockton Ordnance Depot, at Stockton, Calif.

While in this capacity, it was his duty to formulate plans and layouts for the building and operation of the base automotive shops, to hire and instruct in the excess of 2,500 civilian employees, and to select personnel for duties commensurate with their training and aptitude.

Exactly a year later, he entered the service as a commissioned officer in the army and was assigned duty as Senior Instructor in General and Field Grade Officers' Course at the Stockton Automotive School, at Stockton, California.

The following May he was assigned to the 4th Army Special Troops Headquarters at Fort Lewis, Wash., as Ordnance Officer and Special Service School Officer.

He departed for the European Theater of Operations in early 1944 as III Corps Maintenance & Supply Officer, and participated in 4 major campaigns with this unit. After VE day, he was assigned to the 7th Army as Commanding Officer and School Director of the 7th Army Ordnance Technical School, at Hidenleem, Germany, where an average of 3-

EAGLES PLAN GALA PICNIC

Initiation night, Monday August 19, will be observed as Ex-Servicemen's Night at Bayview Aerie, Albany Fraternal Order of Eagles at their club rooms in Macabee Hall, Marin and Kains.

This will mark the first time since the close of hostilities that that ex-servicemen members of the Albany Eagles will hold sway in a reunion with their fellow-member Eagles. The class of new members will be known as the Ex-Servicemen's Class and indications are that a record number of new members are to be initiated into the Order on this occasion. At the close of the initiatory and business session of the meeting, a program has been arranged by Jerry Sharkey, entertainment committee chairman. Following the entertainment, the house committee has arranged to provide the "big feed" in the Aerie banquet for those attending this big affair.

Another feature attraction in which Albany Eagle members are working hard to present the public as well as its members is the forthcoming Annual Albany Eagle Picnic to be held Sunday, September 1st at Alvarado Park in Richmond.

Refreshments will be on sale at booths erected on the midway at the park. There will be concession booths and nothing will be left undone to provide those attending a grand time. The Picnic Committee of Bayview Aerie has adopted the slogan: "Never a Dull Moment" and are working diligently to assure the public and members a grand time. The net proceeds are to go into the Albany Eagle Building Fund for the erection of a new Aerie Hall at the corner of Solano and Evelyn in Albany. The public is cordially invited to attend this big affair and indications are that one of the largest crowds in history of all Albany Eagles picnics will be present to enjoy a day dedicated to FUN.

000 GIs a month were being trained in 9 different technical courses.

Doyle wears three major military decorations for outstanding service.

In his association with Henry S. Villa, Studebaker Dealer in Albany, Doyle states that he will endeavor to offer to his many friends in Albany, a service second to none — based on fair prices, good workmanship and courtesy.

Exchangites to Hear Col. Harry Doyle

Col. H. Doyle, Reserve Officer of the U. S. Army, will speak next Tuesday night, August 20, before the Albany Exchange Club at 7:15 P. M. at Jim's Coffee Shop. Due to popular demand, Doyle is returning to address the Exchangites in the second series on the subject, "The G. I. in Europe." Vice President Eddie Haran will preside over the meeting.

Foley and Bonny, local businessmen, presented an unusual program on "Photo-Reconnaissance" on Tuesday night, August 13. Clarence Bonny, former Captain of the Tir Photo Branch of the 12th Air Force, displayed a large collection of photos taken during actual battle and explained the many technical details involved in aerial photography during the war in Europe. Herb Foley introduced the speaker, and his talk was declared "tops" by fellow Exchangites.

Monday evening, August 26, the Albany Exchange Club will hold their annual baseball night at Jim's Coffee Shop at 7:15 p. m. Program chairman of the evening will be Exchangite Doc Taylor who will present some 20 Oakland ball players including Manager Casey Stengel. Councilman Buzz Cleary and Exchangite will have as his guest that evening, Joe Devine, Yankee Scout, who will give brief remarks on big league ball players and outstanding talent in the Coast League.

Pre-School Mothers Plan Coming Season

Opening the new semester officially, the Albany Pre-School Mothers' Club executive board met to consider new equipment and plans for the coming season at the home of Mrs. Raymond Paine, 964 Stannage Ave. on Wednesday evening, August 7, at eight o'clock. Mrs. Peter Ulyett presided in her chair of presidency.

It was announced that the pre-school would open on August 12. Assisting Mrs. Paine in receiving the Executive Board were Mrs. Jerry Gilchrist and Mrs. Shock.

American Veteran Committee's Berkeley No. 2 chapter will sponsor an informative meeting on government surplus property at 8 p.m. Tuesday, August 20 in the Codornices Village Community building.

NEW PAY SCALE FOR CITY INSPECTORS

A new regime and pay scale was set up in Albany Monday evening in connection with electrical and plumbing inspectors. On motion of Councilman Frank Hays in the City Council session both inspectors will be paid the full amount of inspection fees instead of one-half as formerly. Councilman Hays made the recommendation after pointing out that inspectors had not been included in the general 15 per cent city employee increase adopted recently.

Lacking a formal resignation but with verbal indications that Bert Casassa, present electrical inspector, was anxious to give up his post, the Council declared the position vacant and appointed William Stahlberg.

Councilman Hays also reported on the completion of work on the north sewer outfall and stated that E. A. Tarr, superintendent of streets and

city engineer, has signified that work on Terrace Park will commence immediately. This is to be done to correct a serious drainage problem in that area.

Authorization was given by resolution to notify the P. G. & E. to bring all residential lighting in the city to a standard of 250-watt power. In many areas 100-watt bulbs have been in use. A recent survey made by P. G. & E. pointed out these locations and upon recommendation by Councilman Bert E. Hill last night completion of this phase of lighting improvement was initiated.

There will be no immediate installation of traffic signals at Solano and Santa Fe Avenues according to decision made last night following reports made by Councilman Lawrence Williams.

Bond Election Building Program

(Continued from Page One)

building program which is planned for the Albany High School with the successful passing of the bond issue on October 15, will, according to Dr. Robert G. Larsen, vice-president of the Board of Education, "provide needed classrooms, equipment, and facilities that have long been recognized as essential in order to 'round out' the enriched program that is being offered Albany High School students."

"Better equipped and larger chemistry and cooking units, new classrooms for vocal and instrumental music classes, and the surfacing of physical education areas all will add much to the High School Program. The proposed swimming pool, though planned as an important part of the health and safety program of the Albany High School, will also be used by the community as a whole. Hours will be arranged for the use of the pool by elementary students and another schedule for use by adults."

The major part of the proposed building program which will be possible with the successful passing of the \$525,000 bond issue will be at the elementary school level. The construction of two primary schools and the replacing of the north wing of the Cornell School, built in 1908, are planned as a means both of relieving the present overcrowded classroom situation at the Cornell and Marin schools and of meeting predicted increases in school enrollments in those schools for a number of years to come.

**FAMILY CAN AFFORD
FUNERAL INSURANCE**

A few years ago it was uncommon to find any family fully prepared to meet the financial burdens of a bereavement. But today, the funeral payment plan that takes care of the entire cost of a complete funeral is one of the most rapidly growing forms of family protection.

A Funeral Service Plan establishes in advance just how much the funeral shall cost and pays the expenses without taking away from the savings and insurance funds of those who remain. And there is added peace of mind in knowing that no one will have to perform many involved business affairs at a time when hearts are troubled by sorrow.

We will be pleased to tell you about a reliable plan that renders a broad service at low cost.

Past Commanders To Rule Tonight

Friday evening in the evening of all evenings for the members of Albany Post No. 292, the American Legion when the Past Commanders of the Post take over the affairs of the Post for one night. The Post has 18 living past commanders and three affiliated past commanders and all will take part in the evening's activities and show the old as well as the new veterans how a Post should be run.

The chairman for the past commanders "to do their stuff" is Godfrey P. Hansen with all past commanders on the committee. As a special favor to the Old Timers, Gilson Talmage will relieve them of any kitchen duty for the night. In addition to the lodge room, work they will perform Hanson reported to the Past Commanders, he has engaged an all professional show for the edification and joy of the members and attending guests. . . and says Hanson: "The meeting will start promptly at 8 p.m. in the Albany Memorial Building."

With the State Department Convention convening in San Francisco Sunday, Aug. 18, Albany Post No. 292 will send over a full slate of delegates to participate in the deliberations of the veterans in convention assembled. The convention committee has assigned the delegates from Albany Post Headquarters in the Alexander Hamilton hotel, 631 O'Farrell Street.

Charles Lindh from Albany Post, by virtue of his office as Tenth District Commander, will preside over all the caucus meeting of the district during the convention. Commander Mason Layton delegated, Delegate Howard F. Hill to make the arrangements for the delegate and alternate dinner, a social activity which was cancelled during the war years for the Albany delegates attending the Department Convention. The Post through District Commander Lindh has been notified that Walter L. Holland of Albany Post has been assigned to the convention Press and Publicity Committee.

WATCH FOR PEDESTRIANS.
When approaching intersections, "Take It Easy" and make sure the intersection is clear, motorists are advised by the California State Automobile Association. The pedestrian has the right of way over motor vehicles in marked crosswalks.

Veterans News

Many veterans and their relatives do not have a clear idea of the basis for admission of ex-servicemen to a Veterans Administration hospital.

Treatment of veterans whose disabilities are a result of their service in the armed forces naturally receives top priority in any VA medical institution after emergencies. However, the law says other veterans may be given care if there is sufficient room, and they are unable to pay for private treatment. Women veterans have the same medical benefits as men.

The proportion of veterans admitted to VA hospitals with disabilities not related to service is considerably greater than those whose injuries were incurred in line of military duty. During one recent month, only 16.4 per cent of all admissions were veterans with ailments linked to service with the armed forces. In Arizona, California, Nevada and Hawaii, 3,740 veterans of the 4,052 admitted to VA hospitals during the same month were suffering from non-service connected disabilities.

Question: Are there any VA hospitals set aside for women veterans only?

Answer: Not at the present time, but there are wards and rooms designated for women patients in many VA hospitals.

Q. I have been released only recently from the service. Is it too late to enroll for the fall term in college?

A. It may not be, although many schools are turning away applications. In any event, you should apply to the Veterans Administration without delay for a certificate of eligibility if you have not already done so.

Q. If a lender turns down a veterans application for a guaranteed loan, is there anything the veteran can do?

A. The lender has the perfect right to refuse a loan. However, the fact that one lender is not interested does not indicate necessarily that another may not be. See another lending institution.

Q. Can a veteran going to night school receive money allowances from the VA to help meet living expenses?

A. Not if he is working full time during the day. If he is only working part time, he may apply for subsistence allowance and may be eligible for part of the regular payment.

"Why our Salvation is so Great" will be the subject of a sermon by Rev. George Ekdahl at Berkeley Park Chapel next Sunday morning, Aug. 18.
